Re.: Petition to transfer ORC land to TRCA to protect threatened ecological niche, and restore rightful access of Concord West residents to the Bartley Smith Greenway / Langstaff Ecopark and the Glen Shields community.

Dear Sir:

We want to apprise you of the enclosed letter and petition we have made to the Honorable Brad Duguid, Ontario Minister of Energy and Infrastructure, requesting the transfer to the TRCA of land presently owned by the Ontario Realty Corporation, for purposes of (1) annexing it to the Bartley Smith Greenway/Langstaff Ecopark, (2) protecting the existing ecological niche located therein and (3) providing direct access of the Concord West residents to the said Greenway and the Glen Shields community.

We would appreciate your help and support in this effort.
