Re.: ORC Land to the East of the Concord West community, North of Highway 407 between Keele and Dufferin Streets, City of Vaughan

Dear Mr. Denney:

To follow up on my letter of July 19th, 2010, I and the undersigned would like to inform you that the Concord West community yesterday *unanimously* approved in general meeting the suggestion of an alternative plan for the GO and Metrolinx stations *that should entirely save the ORC land in question*. We are attaching a copy of the letter sent today to the new minister of the OMI, the Honorable Robert Chiarelli, renewing our request to transfer the ORC land in question to the TRCA. We are also inviting him to attend a meeting scheduled for 19:30 on September 14th, to be held at the Concord West Seniors Club, at the address given above in the letterhead.

In a constructive spirit, we would like to present our alternative plan for the GO and Metrolinx stations to concerned Province and Metro officials invited for this purpose, and would greatly appreciate your presence there to support the concurrence of our interests and defend the TRCA position.

If possible, we also think it is desirable for us to meet with you prior to the September 14th meeting. Please let us know your thoughts on this at your earliest convenience. You may reach any of us at the telephone numbers listed below.

Best regards,
