Dear Concord West Seniors Club:

Thank you for the invitation to attend a meeting on September 14 at 7:30 pm to discuss your alternative plan for the 407 Transitway and station planned at Hwy 7/GO-Barrie Line. Unfortunately, I have a commitment that evening and will not be able to attend. Should you not be able to reschedule your meeting, I will look into an alternate from our design team attending. We will of course formally review your ideas and provide feedback.

Alternatively, you may wish to submit your plans to us for review and comment prior to the meeting.

Thank you,

Robb

Dear Robb

On behalf of the CW Seniors Club and the residents Ad Hoc Committee, I would like to express our sorrow for not being able to directly present to you our constructive solution at the September 14th meeting with other Province and Metro officials.

Since unfortunately we cannot re-schedule the meeting, our suggestion is that you send someone in an official public capacity and mandated by your authority (eg George Ivanoff, your Senior Environmental Planner), rather than a private consultant, to attend the meeting. After you will have been informed of the events at the September 14th meeting, and provided with the relevant documentation, we would very much like to meet you in person, at your convenience, sometime between September 15th and 21st.

Please let us know if this is agreeable to you. Thank you for your prompt attention to this matter.

Best regards,

Dr. Paulo Correa
