Dr. Paulo Correa  
Chair, Concord West Residents Ad Hoc Committee  
42 Rockview Gardens  
Concord, Ontario  
L4K 2J6

Dr Doctor Correa,

First, I would like to thank you and the Concord West Ratepayers Association for inviting me to participate in the All Candidates debate on September 28<sup>th</sup>, 2010. It was a great pleasure to meet with the residents and discuss their concerns.

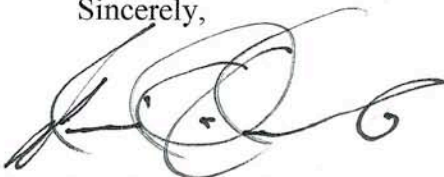

I would like to reconfirm my support of your alternate plan to transfer ownership of the Ontario Realty Corporation (ORC) land to the Toronto Region Conservation Authority (TRCA) for the purpose of amalgamating it with the Bartley Smith Greenway/Langstaff Eco-park. I believe this is necessary in order to provide safe passage to the green space and to preserve the ecological niche.

In addition, I also support your proposal to relocate the Go/Metrolinx station to the North side of Hwy 7.

If elected as your Regional Councillor I will continue to support your plan and work with all levels of Government to ensure that an agreeable solution is achieved.

I hope I can count on your support on October 25, 2010.

Sincerely,
