

Reference Letter of Support

September 27, 2010

To : Josephine Mastrodicasa (President) - Concord West Senior s Club

Rose DiMarco (Acting President) - Concord West Ratepayers Association

Dr. Paolo Correa (Chairman) Concord West Residence Ad Hoc Committee

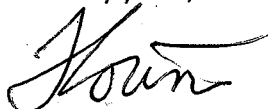

I appreciate the opportunity to review your concerns regarding a proposed new Go Station and parking facility, and accessibility to the Bartley Smith Greenway and connectivity to the Glen Shields Community.

Obviously, the current candidates that have served the Vaughan Community, as politicians, have failed to deal with your needs. Upon reviewing the details of the proposal of having a Go Station and parking on the east side of Keele St. and south of Highway 7, I will confirm and agree that the Go Station and parking should be situated on the east side of Keele St. and north side of Highway 7 where the old C.N. Station and Greenhouse Lands exist. It's a perfect example of urban revitalization of abandoned lands.

Also, a safe passage trail to connect people with the Greenways will be instrumental to protect the ecosystem along the Don River as a greenbelt area.

I will fully support the CWRA's effort and fulfill your wishes as your Mayor. With the citizens of Vaughan's support for my candidacy, we will move forward to realizing your dream.

Sincerely yours,

Tony Lorini

Mayoral Candidate for the City of Vaughan.
