Mr. Peter Shurman, MPP
Thornhill
203-7368 Yonge Street
Thornhill ON L4J 8H9

Dear Mr. Shurman:

Thank you for your letter regarding the GO/Metrolinx plan to build a 407 transitway and intermodal station hub and parking lot on provincially owned land in the City of Vaughan.

While the property ownership is Her Majesty the Queen in right of Ontario as represented by the Minister of Infrastructure, it is the Ministry of Transportation that oversees the proposed construction of the future GO/Metrolinx transitway.

As part of the planning process, the Ministry of Transportation has been working closely with the Toronto and Region Conservation Authority.

To ensure that your constituents' concerns about future uses of this property and the abutting properties are directed to the appropriate people, I am forwarding a copy of your letter to my colleague the Honourable Kathleen Wynne, Minister of Transportation, Robb H. Minnes, Project Manager, and Brian Denney, Chief Administrative Officer, Toronto and Region Conservation Authority.

Thank you again for writing and for bringing these concerns to our attention.

Sincerely,

Bob Chiarelli
Minister
