**TO THE LEGISLATIVE ASSEMBLY OF ONTARIO: Whereas**

"The Ministry of Transportation of Ontario and GO/Metrolinx are currently proposing the construction of a GO/Metrolinx intermodal station hub and parking lot on Crown land (Land Registry Pin number 032320650) owned by the Ontario Realty Corporation; land which adjoins to the east of the Concord West community in the City of Vaughan and has been the community's traditional green space.

Whereas the land in question is ecologically sensitive and demonstrably part of the Bartley-Smith Greenway;

Whereas safe access to this land and the said Greenway by the Concord West community residents and seniors is needed from Rockview Gardens;

**We, the undersigned petition the Legislative Assembly of Ontario as follows:**

That the McGuinty Government transfer the subject land from the Ontario Realty Corporation to the Toronto and Region Conservation Authority."

# PETITION

TO THE LEGISLATIVE ASSEMBLY OF ONTARIO: Whereas

"The Ministry of Transportation of Ontario and GO/Metrolinx are currently proposing the construction of a GO/Metrolinx intermodal station hub and parking lot on Crown land (Land Registry Pin number 032320650) owned by the Ontario Realty Corporation; land which adjoins to the east of the Concord West community in the City of Vaughan and has been the community's traditional green space.

Whereas the land in question is ecologically sensitive and demonstrably part of the Bartley-Smith Greenway;

Whereas safe access to this land and the said Greenway by the Concord West community residents and seniors is needed from Rockview Gardens;

**We, the undersigned petition the Legislative Assembly of Ontario as follows:**

That the McGuinty Government transfer the subject land from the Ontario Realty Corporation to the Toronto and Region Conservation Authority."

**TO THE LEGISLATIVE ASSEMBLY OF ONTARIO: Whereas**

"The Ministry of Transportation of Ontario and GO/Metrolinx are currently proposing the construction of a GO/Metrolinx intermodal station hub and parking lot on Crown land (Land Registry Pin number 032320650) owned by the Ontario Realty Corporation; land which adjoins to the east of the Concord West community in the City of Vaughan and has been the community's traditional green space.

Whereas the land in question is ecologically sensitive and demonstrably part of the Bartley-Smith Greenway;

Whereas safe access to this land and the said Greenway by the Concord West community residents and seniors is needed from Rockview Gardens;

**We, the undersigned petition the Legislative Assembly of Ontario as follows:**

That the McGuinty Government transfer the subject land from the Ontario Realty Corporation to the Toronto and Region Conservation Authority."

# PETITION

TO THE LEGISLATIVE ASSEMBLY OF ONTARIO: Whereas

"The Ministry of Transportation of Ontario and GO/Metrolinx are currently proposing the construction of a GO/Metrolinx intermodal station hub and parking lot on Crown land (Land Registry Pin number 032320650) owned by the Ontario Realty Corporation; land which adjoins to the east of the Concord West community in the City of Vaughan and has been the community's traditional green space.

Whereas the land in question is ecologically sensitive and demonstrably part of the Bartley-Smith Greenway;

Whereas safe access to this land and the said Greenway by the Concord West community residents and seniors is needed from Rockview Gardens;

**We, the undersigned petition the Legislative Assembly of Ontario as follows:**

That the McGuinty Government transfer the subject land from the Ontario Realty Corporation to the Toronto and Region Conservation Authority."

# PETITION

TO THE LEGISLATIVE ASSEMBLY OF ONTARIO: Whereas

"The Ministry of Transportation of Ontario and GO/Metrolinx are currently proposing the construction of a GO/Metrolinx intermodal station hub and parking lot on Crown land (Land Registry Pin number 032320650) owned by the Ontario Realty Corporation; land which adjoins to the east of the Concord West community in the City of Vaughan and has been the community's traditional green space.

Whereas the land in question is ecologically sensitive and demonstrably part of the Bartley-Smith Greenway;

Whereas safe access to this land and the said Greenway by the Concord West community residents and seniors is needed from Rockview Gardens;

**We, the undersigned petition the Legislative Assembly of Ontario as follows:**

That the McGuinty Government transfer the subject land from the Ontario Realty Corporation to the Toronto and Region Conservation Authority."
