Dear Dr. Correa:

This writing is by way of providing an update regarding the Environmental Assessment (EA) for the proposed 407 Transitway. As you know, my office delivered your package dated March 18, 2011 to Premier McGuinty, which reaffirms my support for the Concord West Ratepayers Association and the Concord West Seniors Club in opposing the EA.

Please find enclosed a copy of correspondence we received from Minister Wynne dated May 9, 2011 in response to our inquiries.

Should you have any questions, please contact my office at 905-731-8462.

Sincerely,

A handwritten signature in black ink, appearing to read "Peter Shurman", with a long horizontal stroke extending to the right.

Peter Shurman, MPP
