Dear Dr. Correa:

This writing is by way of providing an update regarding the petition (Sessional Paper No. P-200) I submitted on your behalf, requesting the provincially owned proposed 407 Transitway GO Barrie (Concord) Station property to be transferred to the Toronto and Region Conservation Authority and added to the Bartley-Smith Greenway.

Please find enclosed a copy of correspondence we received from Minister Wynne in response to the petition we submitted on your behalf.

Should you have any questions, please contact my office at 905-731-8462.

Sincerely,

A handwritten signature in black ink, appearing to read "Peter Shurman", written over a light grey rectangular background.
